

Practitioners Guide to Conveyancing and Notarial Practice

Consulta 16 (ninth issue) by AS West, Chief: Deeds Training, Pretoria

In view of the more than 50 resolutions taken at the 2007 Conference of Registrars, recent case law, Chief Registrars Circulars and new legislation, it was deemed necessary to review the Practitioner's Guide to Conveyancing and Notarial Practice again.

The book is a must for all conveyancers, notaries and paralegals involved with conveyancing and deeds office practice. It really makes the life of the practitioner a great deal easier having a book containing all the relevant authority for the preparation of deeds and documents.
