Benefit From New Deeds Office Document Copy Pricing

Effective 1 April 2012, WinDeed customers will benefit from amended pricing for Deeds Office document copies.

Finally, the Deeds Office has responded to our requests and have changed the pricing to one flat rate for a document, regardless of the number of pages.

Up until now, customers were charged according to the number of pages in a document with the frustration that the Deeds Office unable to advise the number of pages at the time of the request.

They have finally listened to our requests and have changed the pricing to pay one flat rate per document, regardless of the number of pages.
