

GhostConvey 2012 V14.1 is now available for download!

[Click here to download.](#)

Please note that this is a mandatory update.

New and improved functionality/features include:

- SARS integration
- Absa Bond Centre integration
- Mandatory changes to Standard Bank Authority to Pay
- No Movement Report now on all matter types
- FNB Housing Finance - Electronic cancellation requests
- FNB Home Loans - Capturing of passport numbers for foreigners and updating the bonds documents accordingly
- New delay reasons for Foreclosures
- Bank document changes for FNB HL, FNB Edgars, FNB HF and Standard Bank

The Update Procedure for V14.1 (available to print from the GhostConvey website) advises on how to run the update.

- Click on "Open" next to Update Procedure V14.1 on the website
- This will open the document in PDF format
- Print the file
- Close file

If you are not already on GhostConvey 2012 V14.1, work through the training material, interactive tutorials and release notes to familiarise yourself with GhostConvey 2012.
