Reference: 3SEM001

PURPOSE

This course will:

- Provide a broad overview of relevant environmental laws;
- Develop an understanding of the principles underlying environmental law;
- Develop an understanding of the legal framework pertaining to compliance and enforcement in civil, criminal and administrative procedures;
- Enable participants to guide clients through the authorisation process for development activities and to highlight important areas of compliance as well as the significance of non-compliance with pollution-related laws.

OUTCOME

Participants will be able to:

- Identify relevant legislation pertaining to specific environmental issues;
- Advise clients on the criminal and civil aspects of environmental law;
- Represent clients who face prosecution for environmental crimes.

Please note that an assessment will apply.

Recommended reading:

“Environmental Management in South Africa” [Strydom & King (Eds)]
