TABLE OF CONTENTS

Standard Bank Access Bond Update	2
Nedbank Consents Documents Update: Lexis Sign	2
Lexis Document Assembly Documents Update	3
Capitec Bank New Document	3
Trust Centre link.....	4
Chat Support Update	5

Standard Bank Access Bond Update

The Access Bond Facility (MT185) milestone has been updated to include a new Access Bond Card Number fields once the Access Facility has been accepted:

- First 4 Digits
- Last 4 Digits

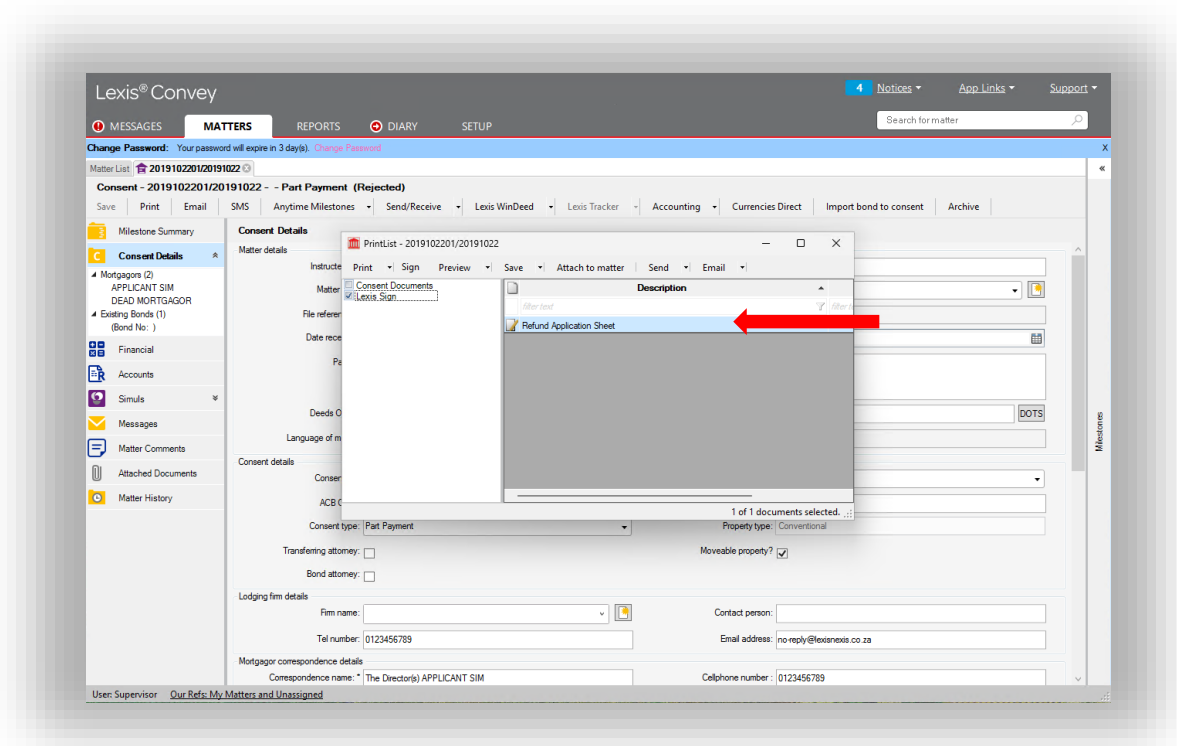

This enhancement is necessary to streamline the Access Bond application process, improve data integrity, and ensure that qualifying customers can seamlessly integrate the Access Bond facility into their existing home loans.

Nedbank Consents Documents Update: Lexis Sign

The following Consent document has been added to Lexis Sign in Lexis Convey Desktop when Nedbank is selected as the Consenter.

- Refund Application Sheet

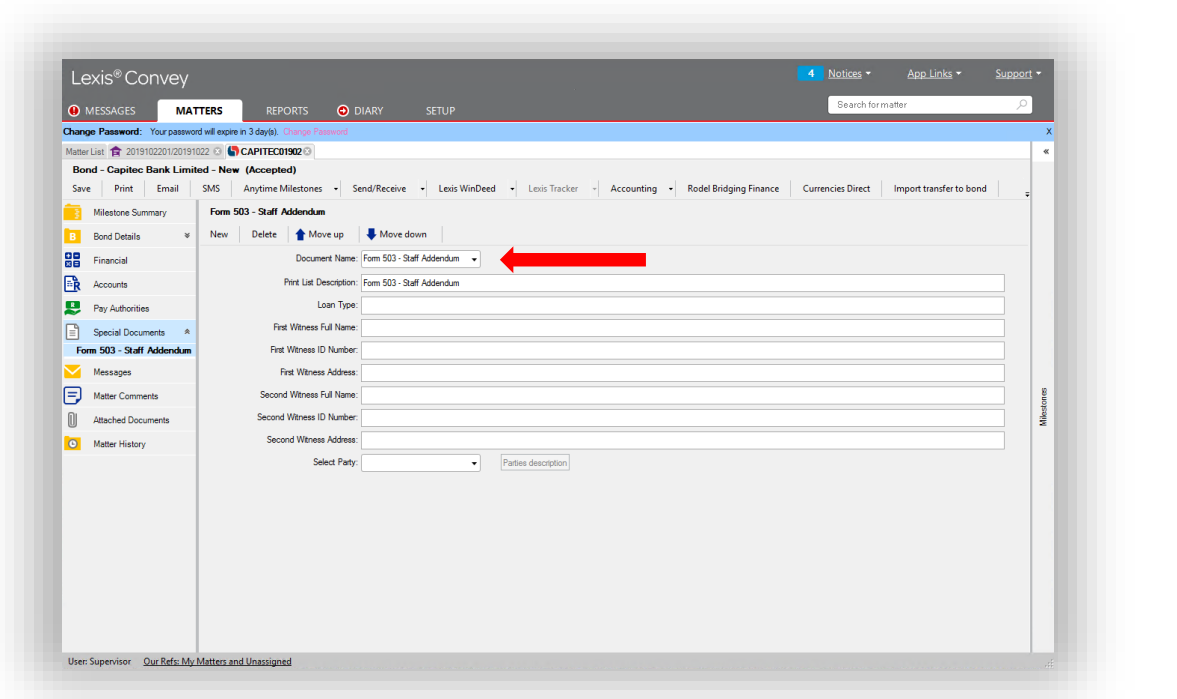

Lexis Document Assembly Documents Update

Capitec Bank New Document

The Capitec Special Document have been updated with:

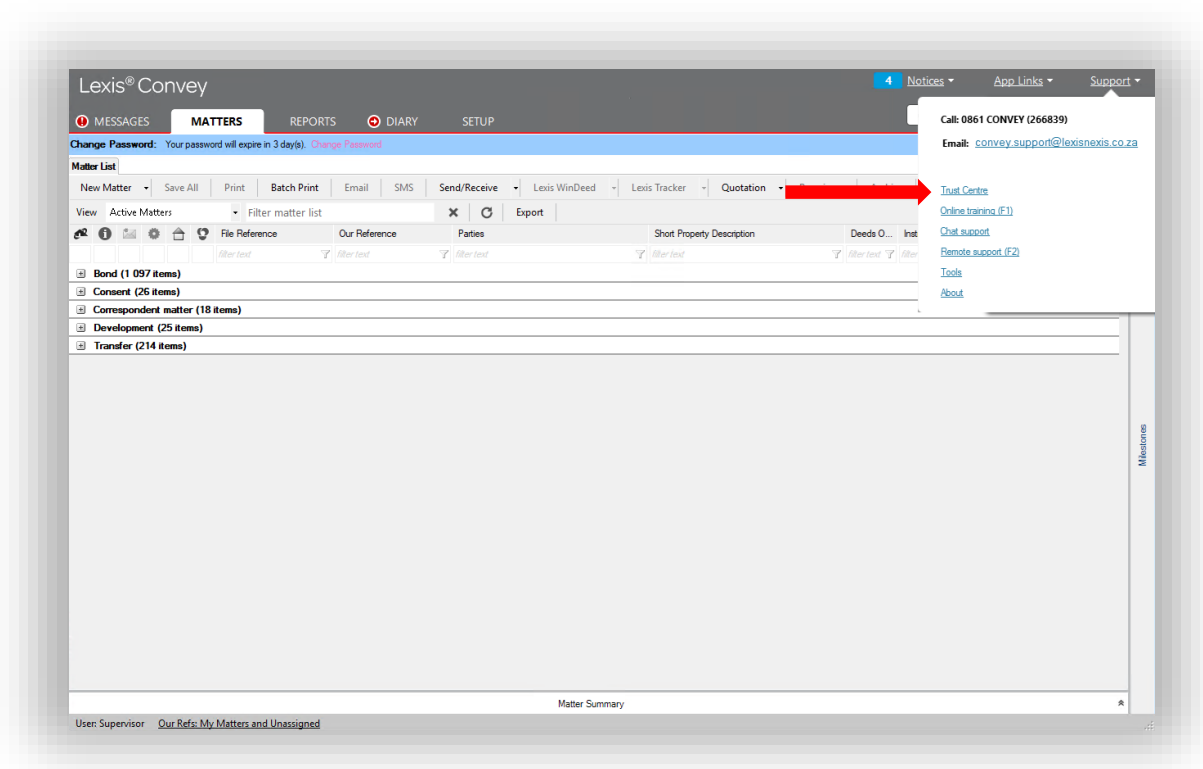

- Form 503 – Staff Addendum

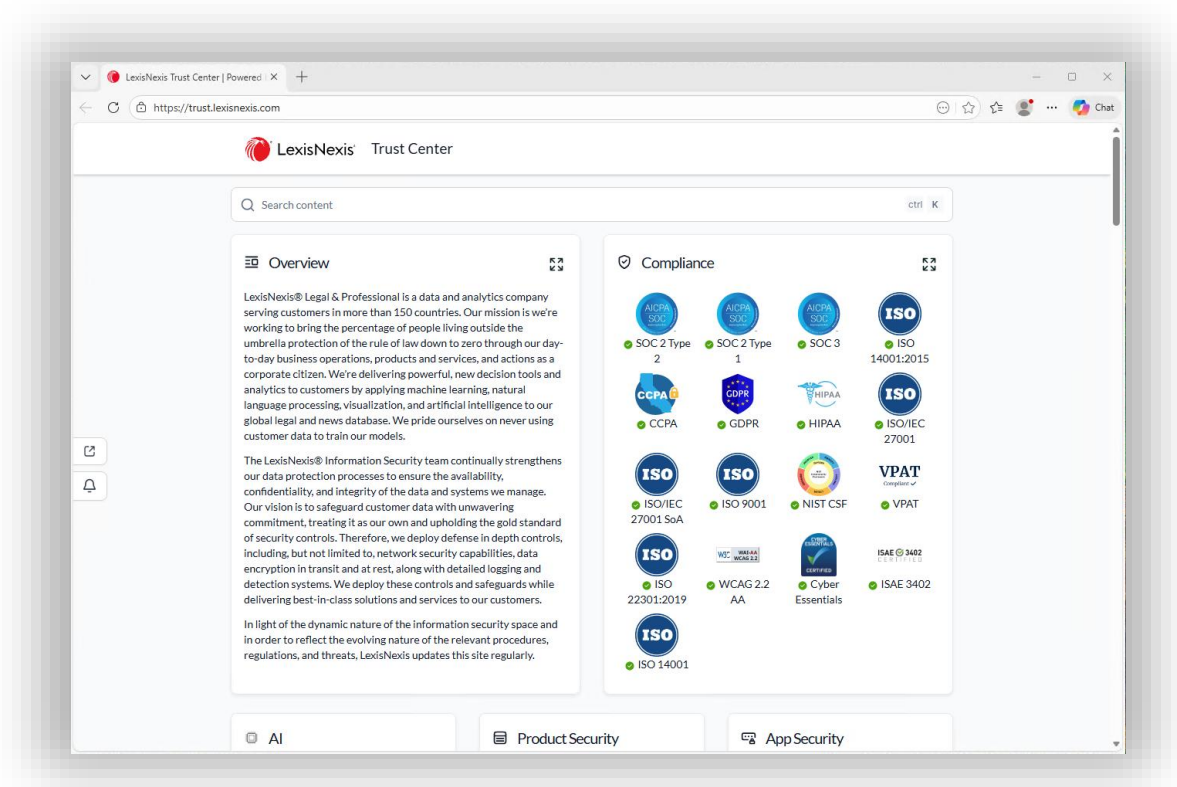

Trust Centre link

A new link has been implemented in Lexis Convey Desktop to open and show the LexisNexis Trust Centre. This is the site that shows LexisNexis security compliance.

To access this webpage, click **Support** then click **Trust Centre**.

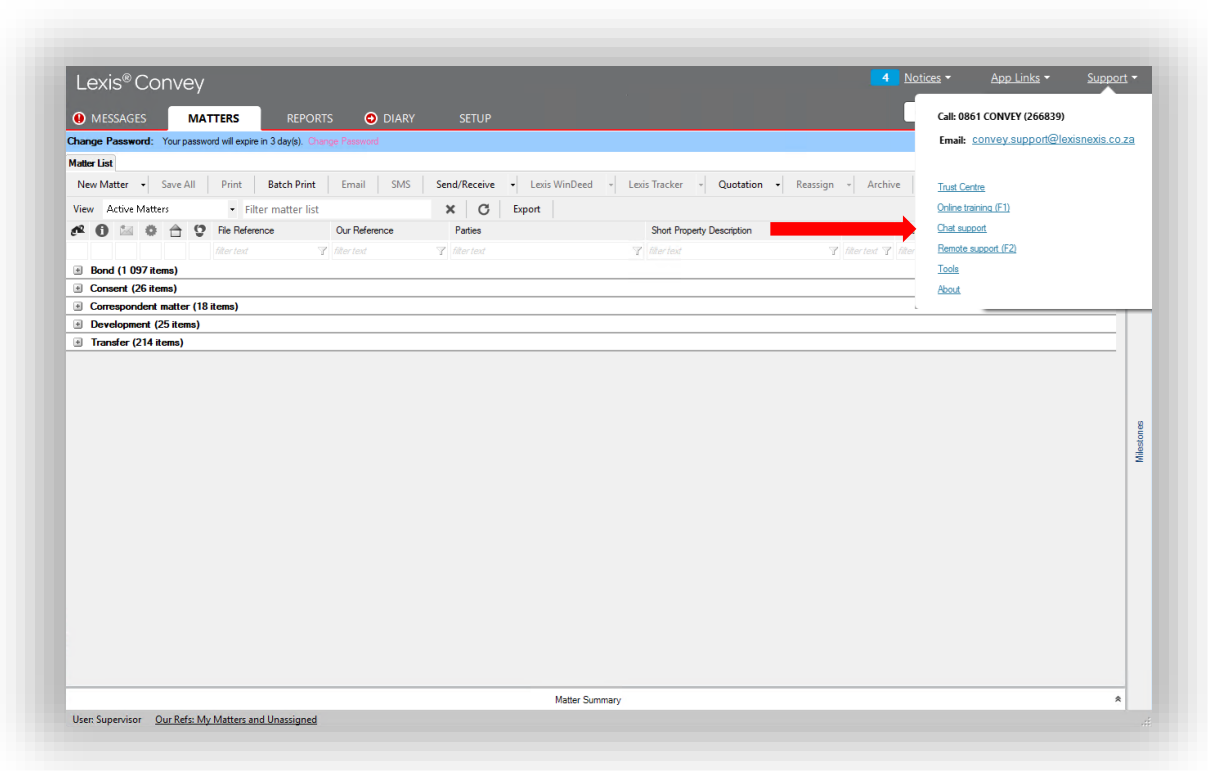

Once the link is clicked, the website will load on the browser.

Chat Support Update

The Chat support has been updated in Lexis Convey Desktop. To access this new webpage, click **Support** then click **Chat Support**.

Once the link is clicked, the website will load on the browser.
